2026-2027 School Year

Kindergarten Supply List

Your child will spend lots of time this year working and playing. Just as you need tools to get your work done, so will your child. We have asked for certain brand name because through the years we've found that they work best for one reason or another.
We also ask for certain sizes to prevent you from having to purchase materials throughout the year.

***Please put your child's name *only* on the items marked with ***
