FRESHMEN, SOPHOMORES, AND JUNIORS

Scheduling

The online scheduling window will be open from March 1-March 17. Requests will be submitted through Power School accounts per the emailed instructions. The app cannot be used. Students must log into their account to access the class registration button. Instructions to complete scheduling will be emailed. We need requests to be as accurate as possible so decisions can be made about the master schedule.

College Credit Plus-Letter of Intent

If you are considering taking a college credit plus course next year, a letter of intent must be completed each year. Copies are in the student services office and under the College Credit Plus tab on the guidance website. The form must be returned to the student services office by April 1st (this is a state deadline). Completing the form does not obligate a student to take a college course.

CCP Applications

Here are the links to apply to MTC, OSU-Marion, and Columbus State for college credit plus. Current MTC, CSCC, and OSU students do NOT need to reapply. Students planning to take Physics at Pleasant must apply to Columbus State. Please know that students are eligible to take CCP at other institutions besides MTC, CSCC, and OSU. Students can seek CCP information at other colleges through their websites.

Accuplacer Testing

For those taking CCP classes, be sure to double check the prerequisites required for certain CCP courses. This list is on the guidance website under the College Credit Plus tab. On March 8th at 7:45am, we will be offering placement testing for those seeking to take CCP Chemistry II and Ethnic & Cultural Diversity next school year. Contact Mrs. Webb by March 4th to be added. Placement testing can also be scheduled on campus via this link: <https://www.mtc.edu/testing-tutoring/placement-testing.html>

State Testing

State testing will occur in April and May. Those students taking sophomore English, Algebra I, Geometry, Biology, American History, and Government will be tested. The building will run on a 2 hour delay schedule. Those not testing who have transportation may report before 9:30am. Buses will be running on time.

Please bookmark these dates!

ELA II-April 16 (part 1) and April 18 (part 2)

Algebra I and Geometry-April 23 (part 1) and April 25 (part 2)

Biology-April 30 (part 1 and 2)

American History and American Government (including CCP Government)-May 2 (part 1 and 2)

JUNIORS AND SENIORS

Grade Verifications Forms

Mrs. Shaffer emailed grade verification forms for eligibility. If you are a part-time CCP student, please be sure to get these forms returned to the student services office by Friday, March 8, 2024. In person CCP classes require current grade and signature from the instructor. Online CCP classes require a print out from Canvas. Be sure your name, course name, and current grade are all included.
